

Procurement Manager

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentiex.nl/x-1392154-z>

For our client Fenzi AGT in Maastricht, the world leader in the field of complex glass enamel, we are looking for a Procurement Manager to lead and grow the procurement team.

Bedrijfsomschrijving

As of February 2022, our client in Maastricht changed from part of a global company in many different markets to a new organization specialized in the glass market, called Fenzi AGT.

Fenzi AGT's products are marketed all over the world and find their way into the automotive and glass industry. The head office is located in Maastricht and the production locations are located in the Netherlands, China, the US, and various sales staff in different countries around the world.

About 200 employees work at Fenzi AGT in Maastricht. As part of the new Italian owner Fenzi (specialized in glass applications), it combines the advantages of a multinational and a medium-sized company. Fenzi is ISO 14001 certified.

Functieomschrijving

We are looking for someone who will continue to exceed the expectations and standards of Fenzi. The key responsibilities to do so will be:

Developing and executing contemporary supply chain strategies; Developing, implementing and continually monitoring and adjusting extensive global price benchmark for key raw materials and total; Actively search for and qualify new high-quality cost-competitive and innovative suppliers, both local and global, to drive flexibility and competition; All types of negotiation, developing and testing supplier contracts; Ensuring reliable sources and available for short-term gain; Creating RFP, RFI and RFQ; Analyzing responses and proposing recommended and business cases to management; Managing and coordinating all purchasing activities, including PO's, delivery schedule, shipment and managing good supplier relations.

Fast but not really. You have to be able to grow the assigned product or team in a market that is to be able to increase the sales and performance.
