Crop Worker

Locatie **Zuid-Holland, De Lier**
https://www.advertentiex.nl/x-1867654-z

We are always on the lookout for talent in cultivation. Do you have experience in this field, or would you like to learn? Apply now!

Bedrijfsomschrijving

In the Westland region, we have many different companies for which we are looking for crop workers. This can be in small nurseries but also in large breeding companies. Vegetables such as tomatoes, lettuce, cucumbers, and bell peppers are usually worked with!

Functieomschrijving

As a cultivation assistant, you are the indispensable link in the breeding process of various types of vegetables. Each square meter of soil harbors different crop varieties, making your work never monotonous. From meticulously counting and weighing the crops to accurately recording this data using a tablet or scanner, you are the person who performs these tasks flawlessly. Additionally, tasks such as staking, leaf pruning, and harvesting are within your expertise. Thanks to your experience, you are also able to recognize diseases, among other tasks. You start your workday early, between 7 and 7:30. In short, it's a challenging and varied job!

Functie-eisen

Preferably has experience in horticulture
Speaks Dutch or English
Excels in meticulous tasks!

Arbeidsvoorwaarden

A competitive pay ranging from €12.50 to €15.53, depending on your experience
Excellent employee benefits, such as travel allowance
A fun and enjoyable job where you can do many tasks
