Hallo

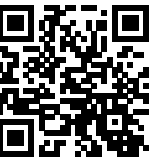

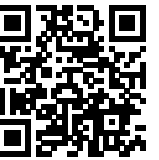

Verbouwde Kawasaki LTD 454.  
(2 cilinder, dubbele nokkenas, 6bak, 50pk op het achter wiel)

Andere voorvork (15cm korter),  
Koplamp steunen,  
Teller steun,  
Zekering kast,  
Digitale klok ( km, toerenteller, alle waarschuwing lampen),  
Stuur met nieuwe hendel en rem pomp,  
Vork rubbers,  
Remklauw adapter,  
K&N filters,  
Accu bak,  
Nieuwe gel accu,  
Achter spatbord met led licht,  
Side mount met led licht,  
Nieuwe achter schokbrekers 8cm korter,  
Rvs uitlaat systeem ( horen zullen ze je zeker;-)

Coolste paint job op de tank

Stuur heeft links geen bediening, alles verplaatst na de rechter zijde, de kabels zijn weg gewerkt door het stuur.

Alles werkt na behoren,( setje grotere sproeiers is geen overbodige luxe)  
De zadel pan moet na wens bekleed worden.

|                                                                                                                                                                                               |                                                                                                                                                                                                |                                                                                                                                                                                                |                                                                                                                                                                                                |                                                                                                                                                                                                 |                                                                                                                                                                                                  |                                                                                                                                                                                                  |                                                                                                                                                                                                  |                                                                                                                                                                                                  |                                                                                                                                                                                                  |
